

Mp3 Ellis Hall - The Spirit Lingers On...and On

[DOWNLOAD HERE](#)

This beautifully re-mastered version of Ellis Hall's colorful instrumental and vocal statement features PATIENTLY, not found on the original recording. A must have for fans of his brand of highly inspirational soul. 12 MP3 Songs URBAN/R&B: Soul, GOSPEL: Contemporary Gospel Details: Ellis Hall has created and performed a one-man pastiche of soul, blues and gospel guaranteed to entertain and soothe. Ellis Hall has been featured as lead vocalist on the debut hit single, "What Does it Take," from the Kenny G. multi-platinum "Duotones" album. He joined the soul-stirring hit group Tower of Power as lead vocalist and keyboardist, culminating his stint with his co-production and song-writing prowess on their album, "Power." He has had enormous success as one of the California Raisins with the platinum album, "The California Raisins Sing the Hit Songs," and a gold album, "Christmas With the California Raisins." Hall has also lent his vocals and/or performed with such diverse artists as James Taylor, Warren Hill, George Duke, Michael Sembello, Huey Lewis and the News, Bo Diddley, Taj Mahal, Freddie Hubbard, Bobby Kimball of ToTo, Jason Scheff of Chicago and Bobby Womack. His contemporary work includes jingles, film work and live performances. This CD is a snapshot of the wide ranging talent of Ellis Hall.
