

Mp3 Eos - Musica Mecanica

[DOWNLOAD HERE](#)

Intovered, nostalgic, and evoking your vision. 12 MP3 Songs ELECTRONIC: Ambient, AVANT GARDE: Electro-Acoustic Details: EOS is the musical locus that enables us to explore, express and observe the subtlety of emotions. Three musicians one sound engineer and a vj interact with each other and the audience aiming to become the vehicle in which the latter will travel at different mental states and emotional territories while sitting in a chair. This cd is recorded live in the studio capturing the essence of each performance. Then it was processed and mixed by our sound-sculpter in other words engineer thus to convey the mood of each tune. Enjoy your listening.
