

## Mp3 Gerald Krampf - Timediver

[DOWNLOAD HERE](#)

Electronic soundscapes for mind movies 9 MP3 Songs in this album (45:43) ! Related styles:

ELECTRONIC: Electronica, ROCK: Progressive Rock People who are interested in Air Kitaro Vangelis should consider this download. Details: one possible description for the album could easily be Soundtrack For Mind Movies by merging elements of ProgRock, Electronic and E-Lounge, with many classical vintage sounds, marks this album a step back to Gerald's original musical roots. Reminds a bit on his progrock times of the 70s and 80s with his bands Kyrie Eleison and Indigo, though with much more up to date influences.
