Contemporary Christian songs, mostly original, by the music ministry for the monthly Healing Masses at the National Shrine of the Divine Mercy in Stockbridge, MA, whose music is described as soothing, peaceful, and uplifting. 11 MP3 Songs FOLK: Gentle, KIDS/FAMILY: Kid Friendly Details: We are Heartsong---- Gail, Emma, and Joyce ----a music ministry of our charismatic prayer group at the National Shrine of the Divine Mercy, Stockbridge, MA. We are from three different parish churches in our diocese of Springfield in Western Massachusetts, brought together in our prayer group because of our common love of music, praise, and prayer, and our devotion to the Merciful Lord and our Blessed Mother. Gail has written 9 of the 11 songs on the album "In His Name" mostly during her conversion to the Catholic faith - songs that tell of the joy, the challenge, the hope, and the healing that each of us can experience when we give our hearts to the Lord. Also included in the album is the Divine Mercy Song by Christine Adler, "Jesus I Trust in You" which we sing at our Healing Masses at the National Shrine of The Divine Mercy. A special addition to this album is Emma's favorite song (and now everyone else's) "Heaven Came Down" written by John W. Petersen, and sung to the delight of priests and congregations at the Healing Masses. We are excited about sharing this album and hopeful that it will be a source of comfort and inspiration for those who seek the gentleness and the strength of our Faith in these unsettling times. Hope and Pray, in His Name! Gail, Joyce, and Emma.
