URBAN/R&B: Soul, ELECTRONIC: Pop Crossover Details: On the follow up to the critically acclaimed LP

Don t Sleep...Just Dream , Jarrard Anthony, with a new unique sound described as Electro-Soul, is ushering in a movement that travels over landscapes, through atmospheres, and beyond galaxies of the musical cosmos. The style bridges gaps and crosses conventional boundaries blending electronic, soul, pop, experimental, rock, acid jazz, and acoustic genres. S.ynergistic E.nergy X.change (The Movement) was born out of the understanding that we are all connected and in this connection we have a responsibility to give the best of ourselves at all times. It encourages everyone to embrace their individualism, identify its divine purpose and fulfill that purpose for the betterment of the whole. As the Ambassador of this movement, Jarrard Anthony is fostering a total paradigm shift that begins with the music. With highly anticipated the release of S. E. X., Jarrard continues to broaden his horizon and steps up from the underground of Urban Soul to the surface of Pop/Soul/Electronic music culture. S.ynergistic E.nergy X.change is the embodiment of a movement which greatest purpose is yet to be manifested.
