Details: Joe Ryans style has been variously described as the true West Clare or the Old Clare style. A master fiddler, his music incorporates the best of the Clare tradition with that of his two great influences Tommy Potts and Bobby Casey. This recording presents a selection of tunes; old reels, jigs, flings and hornpipes from Joes early days in Clare, and airs from the great Tommy Potts. What a gema joy from start to finish . . . it gets better with each playing. The Living Tradition No one plays slow airs on the fiddle as eloquently as Joe Ryan, and his handling of dance tunes is a classic expression of the lonesome-sounding yet lively style of the old-time west Clare fiddlers. - The Irish Voice (NY)
