Enjoy this new combination of Latin and Dance Music .Karmen will make you move. . 10 MP3 Songs
LATIN: Mambo, URBAN/R&B: Contemporary urban Details: Karmen-V (the caribbean diva) Born in Santo Domingo Rep Dom, the land of merengue,bachata and so many other Latin styles. At 12 she started taking classical and modern Dance lessons and popular music lessons. At the age of 15 she went to the TV to compete in the most popular talent competition in Dominican Republic Buscando el Exito and wins in first place in 1997. With and strong voice and special grace in dancing, her talent was acclaimed by many companies at this time but it seemed that she was looking for something different in the music, a new sound, a new style. After a year she started performing with so many popular Latin Bands in all the country standing out in each presentation . 5 years passed after a small and good carrier and having a big experience in all latin music Styles, she meets " Natam J. Cruz " a young and crazy genius, musical producer that took here into various international styles. Now she had combined all this making a new Latin music with a more universal concept. ::she had a new language for making the people enjoy an dance:: Karmen will make you move vamonos !!!
