Related styles: SPOKEN WORD: Inspirational, SPIRITUAL: Hymns People who are interested in Bible Promises Audio Scriptures Guided Meditations should consider this download. Details: The Power of Gods Word + The Power of Positive Self-Talk = REVOLUTIONARY! Are you speaking life into your daily situations? Is it hard to schedule time for deeper Bible study? Do you need encouragement in your walk with Christ? Gods Word has answers for you! However, if you dont know Gods promises - and really believe them - you may not be experiencing the life God desires for you. Perhaps you find it difficult to schedule time for deeper study and meditation which is an important key for personal breakthrough. Self-Talk from the Scriptures can help! These powerful Bible Affirmation Programs combine the effectiveness of positive self-talk with the power of Gods Word to help renew your mind and transform your life. (Romans 12:2). This volume on Health Healing uses over 100 unique scriptures on physical and emotional healing, the healing ministry and a healthy, long life - as described in Gods Word. Additionally, the CD is enhanced with soothing instrumental hymns and sounds from nature to promote relaxation and stress reduction. Other titles currently available are: Victorious Living, Peace Joy, and Success Prosperity (all titles coming soon in Spanish)! These CDs are great for both adults children AND they make great gifts!
