Melody Guy is a force to reckon with She is hitting Nashville like a storm with tight lyrics and driving guitar, telling stories we all know and love. Melody is trouble for anyone trying to make it as a songwriter in the industry today. She is the one you need to top, the competition, the standard we should all be striving for. Melody definitely raises the bar. Ouch! I know what your thinking but no one can quite hurt you like Melody Guy does. "Sign of Trouble" was recorded in 2006 and relates to high-school memories; teen-age mothers; lost love; temptation; true love and the maturity to spot the signs of trouble

and move on. The songs on her 4th album have lessons learned and show triumph over problems that everyone can relate to, and show a new attitude that can only come from experience. Melody is no stranger to the spotlight Melody has shared the stage with Martina McBride, Keith Urban, Aaron Tippin, Leon Russell, Andy Griggs, Chris LeDoux, Joe Diffie, The Warren Brothers, Nanci Griffith, Jim Messina, Tanya Tucker, Dan Seals, Lee Ann Womack, Chad Brock, Steve Azar, Sherrie Austin and Rosie Flores and many more. Her intuitive band displays tasteful restraint that allows Melody's voice and songwriting to shine through without losing the strength and passion of her personality. Her live performances are an impassioned mix of honesty and pure fun that make you feel like she's playing and singing just for you.
