Good time rockin' country music with sing-a-long type choruses. 12 MP3 Songs COUNTRY: Country Rock, ROCK: Roots Rock Details: This is country music with a tinge of rock thrown in for good measure, or what Brother Joel refers to as cosmic country. The brothers (Ezra and Joel) both hail from the Pacific Northwest, and have been serving the Portland musical community for the past decade. The songs that comprise this album are rooted in American music. These are the type of songs that bring you to a dusty barroom in the middle of nowhere, no pretensions, no cover, and strong whiskey. Choruses that make the listener want to sing along, and stories real people deal with on a daily basis. "The Meredith Brothers Band churns out a drunken country grind that sticks to your ribs. These are neighborhood stories through a haze of cigarette smoke and stark reality. Great performances are wryly tossed off like used matches." --Dan Linn, Rose Drop Media People who are interested in Bruce Springsteen Neil Young Jerry Jeff Walker should consider this download.
