pronounced (nuh-sock-eruh) or Sakie came 2 Chicago riding on a blaze from an explosion of faith,

courage circumstance. And like most multitalented people, all though blessed, he had quite a challenge trying to fit in. So after much struggle experience as a starving artist he knew then, ...he was destined as an artist to fit only in the skin he was in. As a Guitarist, writer, producer/musician, vocalist, he has sharpened his skills in all various styles, such as, ...Hip-Hop, Jazz, R&B funk, Alternative Blues. Sakie has waisted no time since his move 2 Chicago from Memphis, to carve out a career 4 himself. Recording & cracking out several self produced hits on several C-D's in the above catagories. But in this day age, even all this is not enough, So Nosakhere wont stop at music, He is also a Painter/Artist of various mediums, specializing but not limited to, oil paints chalk pastels, in addition, Sakie also has years of experience in hand {crafting ethnic jewelry}, with beads, stones shells, imported from Nigeria. Sakie is also a poet spoken wordist, be sure to check out his profound words of poertry entitled (Purpose) at poetry.com, just type in Nosakhere Bell click search. With a smooth, deep versatile voice such as his, it's no wonder that he has landed himself voiceover work with T.V. Radio broadcasting companies.
