Contemporary ambient / techno grooves fused with guitars and smooth Beatlesque vocals. 10 MP3 Songs POP: with Electronic Production, POP: Beatles-pop Details: Check out this non-cliched fresh perspective in song writing. This album uses contemporary loops and grooves fused with acoustic and heavy electric guitars. AC/DC meets 70's disco? - Maybe not but certainly some of the tracks would not be out of place on the dance floor either. The tracks are completed with smooth British vocals that recall everyone from John Lennon to Al Stewart. The subject matter covers everything from relationships to ideological indoctrination by the mass media!
