Progressive folk music with killer vocals and lyrics. 9 MP3 Songs FOLK: Folk Pop, FOLK: Gentle Details:

Sarah Siddiqui hits a chord with some of Canada's brightest: "Sarah Siddiqui has a very unique and soulful voice and her songs are strangely exotic and familiar at the same time, she's also a true beauty".

---- Ron Sexsmith "Sarah is a rarity. Beyond the obvious, with her stunning beauty, Sarah is an amazing singer and songwriter. She sings and writes from the depths of her soul...deeper than many musicians are willing to go..." --- Darren a.k.a Mista D of The Salads "Sarah Siddiqui is truly dedicated to her craft.

She's both an excellent writer and performer and a joy to work with. Watch out for this girl!" --- Dave
