Acoustic rootsy pop driven by male/female harmonies and mixed with western twang and latin beats 11  
MP3 Songs POP: Folkly Pop, FOLK: Modern Folk Details: Elements of blues, jazz trip-hop and  
psychedelia come into play on Sexfresh's debut release. The Bay Area quintet composes dark, often  
trance-inducing arrangements littered with accordion, banjo and upright bass. What stands out most,  
however, is Emily Zuzik's deep soulful alto that croons, wails and whispers with understated power. On  
the rocked out "Bitterroot" and their tripped-out cover of the blues classic (sic) "Baby Please Don't Go,"  
Zuzik's vocal presence elevates to an unabashed growl. "Two Dimes in One Shoe" has the lazy character  
of Mazzy Star, while other tracks resemble a less-processed Portishead. -- Top DIY Pick, Performing  
Songwriter Magazine The strength of this San Francisco-based quintet is its darkly-nuanced  
arrangements. By turning some modern tricks on conventional blues and jazz, they get good mileage out  
of the minimalist input. --Austin Chronicle: "South by Southwest Picks and Sleepers"
