

# Mp3 The Visitors Q - The Hall Between The Walls

[DOWNLOAD HERE](#)

Along with disjointed lyrical narratives, The Visitors Q move musically from the tin can guitar pluck of Simon Garfunkel influenced made-for-TV movie soundtracks of the 1970s to the fuzzled, hissing six-string overdrive evocative of the lo-fi era of Ame 10 MP3 Songs POP: Psychedelic Pop, ROCK: Slowcore Details: Found(ed) in 2000-something, The Visitors Q have been floating under the radar in the same bike loving neighborhood that gave you Elliot Smith, Silversun Pickups, and heartburn from the taco stand. Phillip Haut (The Centimeters, Listing Ship, Veronica Lipgloss and the Evil Eyes) had them in The Oven, some forgotten autumnal evening, and the result is The Visitors' first LP "The Hall Between The Walls." Tracked and mixed in a closet in an historic revamped recreation center by principal Visitor Q talk-singer / guitar-synthist Damon Gross, "The Hall..." [tape] echoes back to the lo-fi 4-track minded days of the late 1980's and the early 1990's (Shrimper, K Records) as well as psychedelic and pre-punk rock. The Visitors Q carve their sound into what could be described as The Fall do T. Rex do T. S. Elliot. Its not garage rock or indie rock its PRUFROCK! People who are interested in Pavement Sonic Youth Vampire Weekend should consider this download.
