Timeless, Classic and romantic 16 MP3 Songs JAZZ: Big Band, JAZZ: Smooth Jazz Details:

Distinguished by his unique style, which brings us back to the sounds of such star attractions as Frank

Sinatra and Tony Bennett, Tom Martucci emerges as the heir to a performance legacy which is hard to
equal and nearly impossible to perfect. A skilled vocalist and prolific song writer, Martucci's sensitivity to
lyric and phrase breathes new life into the most memorable classics, while his own work renews faith in
the most skeptical of romantics. Martucci steps into the spotlight with a new album chock full of old
standards and bursting with a keen selection of his own captivating new material. Comparisons to Frank
Sinatra are inevitable, as there are moments on "Love Life," where the resemblance can't be denied.

These moments are the treasures we aspire to uncover, and Martucci's voice is as timeless and classic
as the romantic sounds that the memories of "Love Life" are made of...
