Related styles: URBAN/R&B: Soul, JAZZ: Soul-Jazz People who are interested in Amy Winehouse Adele should consider this download. Details: Tori Roze is a soul-singer to the core. Currently living in San Diego, Tori has been writing music since the age of sixteen, utilizing the medium to primarily channel those things that cannot be understood merely by the act of saying the words themselves. Seeking nothing more than to shed light on the human experience, Tori is a key artist in conveying the emotional intent behind a song. Her edge being that of a heart-driven soul mixed with the gritty truth, she is sure to leave audiences with the sense of relative human connection and a vocal style that is absolutely unforgettable.
