Songs for kids, with an interactive DVD, but adults like it too. The first edition of Little Songs is about animals. A skateboarding bear who wants to grow up, a jazzy black cat, a loyal dog, a singing bird, and more... 5 MP3 Songs KIDS/FAMILY: General Children's Music, POP: Quirky Details: Little Songs are performed in schools and hospitals, and have been reviewed and accepted by experienced teachers and administrators. Kids like to get out their wooden spoons and tamborines and play along. The DVD makes it easier for everyone to learn the music and sing along. The CD is great for the car. For the younger kids, each song gets calmer, ending with a lullaby. ZZZZZ. The great thing about Little Songs, is adults like it too!
