

# Mp3 Walter St. Clair And The Overstand Band - Moving Forward

[DOWNLOAD HERE](#)

American Roots Reggae on its evolutionary course, giving American reggae listeners a perspective closer to home, yet steeped in the consciousness of Jamaica and the world, delivered by some nice grooves to pleasure your soul. 12 MP3 Songs WORLD: Reggae, FOLK: Political Details: WALTER ST. CLAIR and the OVERSTAND BAND - MOVING FORWARD: As the title implies, this CD saw Walter coming off a successful year of touring with The 8750 Reggae Band out of Telluride, Colorado. Opening for sold-out shows by Isreal Vibration, Burning Spear, and Culture, Walter's mentors all, proved to be the ideal crowds to deliver and refine this roots performers' unique and original sound. On this CD are those songs which captured the energy of that time. From the steady, driving of "Moving Forward" into the pocket of "Almighty One" to the set-closer "Let It Be Rasta", these songs, along with four sweet dub-versions, were a pleasant surprise to the reggae massive of the western U.S.
