The result... the band calls it "Gangsta Gospel", -other's call immature. Either way, no one accuses it of lacking attitude! REVIEWS: Just buy the CD... "...do precisely what I say!" I may never have heard of a "WildOscar", "J-Berg", "Jehobah and Josemite" or "Gangsta Gospel" had it not been for an errant search on Napster for NO DOUBT with only the initials "ND" yielding this nugget! Due to the title, the first cut I clicked was "In Da Hood Feeling Good" where I heard the voice of a surfer reflecting on "pimpin the hoes and dealin cocaine." I was hooked. Ditch Da Bitch r en renodlad hip-hoplt och i In Da Hood Feeling Good r

det rythm 'n blues som dominerar. Tadadoda, inspelad i Nashville, r en ruggigt bra It som ger en countrylskare som jag sjlv gshud p armarna. Men den hr plattan bjuder p mnga fler bra ltar, och framfr allt bjuder den p en rej l portion sjlvdistans och attityd. Det hr r med andra ord en ovanligt frsch och intressant platta! Groovy...
