

Revisiting Christianity: Theological Reflections - Marius C. Felderhof

[DOWNLOAD HERE](#)

This book presents a view of Christianity and Christian thinking that draws on some key thinkers from Plato to Wittgenstein and represents a thoughtful 'common sense' theology offered as an alternative to the anti-intellectualism of many contemporary Christians and to the distortions of Christianity provided by some of the most vocal critics. Felderhof portrays how Christian theology is to do with making sense of what Christians do and how generally we are best advised to live. This is an invaluable introduction to key themes for students and a wide range of readers. Author: Felderhof, Marius C. Publisher: Ashgate
