Skip Dalton was the love--and hearbreak--of her life. But that was all in the past. Addie Malloy had finally moved on and made a life for herself and her young child. Except now Skip had come home. And he'd brought someone with him. Skip was determined to make amends for running out on Addie when she needed him most. But how would the single mother react when she discovered that his daughter was her daughter, too? Would this be the end? Or could this long-awaited reunion be a new beginning...for them all?
