Treacherous Wishes Denise A. Agnew Just when you think the danger has passed. Just when you've stopped looking over your shoulder. Evil finds a way. Tammy Carter lost her psychic abilities in the aftermath of tragedy. Now, years later, her power resurrects when evil returns to her town. Everything in her comfort zone is disintegrating, except for one thing-the searing attraction she feels for one man. The one man who might stand between her and death. Bodyguard Kyle Hawthorne doesn't believe in the supernatural or in Tammy's psychic gift, but when her life is threatened he'll do anything to protect her. Professionalism requires a platonic relationship with his coworker at Taggart Security Team, yet the sizzling connection he feels for Tammy demands exploration every time he's near her. Tammy harbors lightning-hot fantasies about Kyle. Suddenly their sensual desires and emotional connections are too powerful to ignore, and as they seek to sate the long-denied sexual hunger, they spark a chain reaction of events that may bring them together, or allow the evil to consume them.
