The second in the Tapestries series. Jane Smith has the perfect corporate job, a beautiful apartment and an understanding boyfriend. She works long hours, but enjoys her life. It all begins to unravel the moment she witnesses a murder. Now her former life has vanished and she is left to rebuild again. Just when things seem to be taking a turn for the better, the thrift store tapestry that she'd impulsively purchased magically transports her to Javara, a world that resembles medieval Earth, and into the arms of the Bakra brothers. Zaren Bakra is shocked to discover that the tapestry has delivered Jane to Bakra land-as the tapestry prophecy has already been fulfilled for this generation. Their world is strange to Jane, and her very presence ignites violence and death. Now the two brothers will use all their sexual skills, separately and together, to convince Jane to stay in Javara and choose one of them for her husband. But the tapestry will reappear in just three days. Will Jane return to her own time and all that is familiar or will she become the Bakra bride? Author: Walters, N.J.
