How To Quickly Copy The Proven Profit Tactics That Work To Guarantee Your Online Success! Set Yourself Apart From The 95 Of Marketers Struggling To Make A Living Online By Modeling Your Business On The 5 Who Are Already Wildly Successful . . . Internet marketing gurus aren't on top of their field because of luck . . . and in most cases, they aren't there because of the right product, either. As you read this new book you'll understand what really does set them apart from the 95 of marketers who are struggling online. Here is some of the topics covered inside Following The Guru: Who knows how many sales are missed by an inch? The number is probably staggering. How can you take those almost and convert them into sales? Three Internet marketing strategies Proven to work. It pays to understand a few of the time tested techniques for producing significant sales figures. All three of these have worked time and time again to create MASSIVE profits. Today, the buzzword for many in the marketing business is niche. In Copy Your Way To Success you'll discover the 5 simple steps to succeeding in any Niche market. (Follow these guidelines and give yourself a profitable edge over your competitors.) It may not be as easy to become a dot com millionaire today as it was before the internet business bubble burst, but

moneymaking opportunities are still everywhere. For example on page 14 you'll get a dissected plan that could enable you to generate \$140,000 in gross profits each year with a project that requires very little work after initial implementation. Successful affiliate marketing. How to ethically copy and create order pulling sales copy. Running your own profitable affiliate program. Blogging for easy cash (even for the newbie). How to successfully use sites like eBay to generate incredible profits. How to double, triple or even quadruple the value of your info products. How to generate extra revenue (in addition to traffic) with articles. How (and why) you could be your own next product. And that's just the tip of the iceberg.
