

Mp3 Bella Nova - Beautiful Star

[DOWNLOAD HERE](#)

A trip-hop soul duo with infectious melodies ala Zero7 and Koop combining organic instruments such as Rhodes and classic Fender amps with new school electronic production. Bella Nova is at the forefront of a new breed of electro-pop. 11 MP3 Songs ELECTRONIC: Pop Crossover, ELECTRONIC: Trip Hop

Details: Bella Nova: The electronica duo is comprised of veteran music producers/composers, Billy Lincoln and Kat Green and have been creating music together since 2001. Their debut album "Beautiful Star", which features trip-hop styles in the vein of Zero 7 and Koop, is still unreleased commercially but has been made available online only. Bella Nova has been known to compose original music for various television programs and movie trailers for such films as "The League of Extraordinary Gentleman", "Daredevil", and "The In Laws" with their music production company, Bad Ass Music Inc.
