Guitars,'sound on sound'easylistening upbeat pop 20 MP3 Songs EASY LISTENING: Lounge Details: Buddy Merrill- Known for his multiple guitar technique, has recorded 407 instrumentals including his first single, Brontosaurus Walk/Poinciana ,which was released in 1965. 28 Buddy Merrill albums has been released on the Accent label and licensed in Japan, Mexico, Germany, Italy, Australia, France, Brizil ,Argentina and the UK . PHASES is a collection of Buddy's compositions with the exception of "Vanessa ", and represents some of his best work. Most of the recordings are orchestral ,displaying his outstanding arrangements and the many combinations of electric and acoustic guitars combined with other effects which make for extremely unique sounds . "Song Of Sirocco" and "Space Boogie Blues" are two of the highlights on this album .
