

Mp3 Ca\$hou\$ Clay - Egb Presents "tha Compilation"

[DOWNLOAD HERE](#)

This album is hiphop at it's best/straight out of tha Souf Cakalac 18 MP3 Songs HIP HOP/RAP: Southern Style, URBAN/R&B: R&B Rap mix Details: Cassius Clay, known to be the greatest of all time, a mighty fighter that could take down any and all threats. Now a rapper from South Carolina, " Ca\$hou\$ Clay" is confident enough to become the legends namesake. He was turned on to hip-hop at an early age. He has been perfecting his skills since the age of nine. Ca\$hou\$ is not just a rapper but he is also a producer and engineer. Since his last album "Tha Main Event", he has created a loyal following, not only in his own state S.C. but also many other states. Everyone has been anticipating his latest album "Tha Compilation". This album shows the creativity of this young man with the hit single "South Carolina", I am certain that all will identify with the lyrics in this song, no matter where you hail from, so check it out. There is something for everyone from the single "Diddy's" to the song "R.I.P." dedicated to all that has passed on. The album as a whole is great. You can put it on and just let it ride, every track is great to listen to. He is also recording and producing for many local artists. He has literally built the bridge uniting Georgia artists to South Carolina artists. Co-founder of The Bridge Boyz, Ca\$hou\$ Clay continues to be relatable to all music listeners no matter the racial, demographic, or geographic lines. Each Ca\$hou\$ Clay release gives you a sound that's unheard of. Asked to describe his music Ca\$hou\$ Clay say's "I call it gangsta crank, because some songs on the album has that gangsta feel to it but also cranks you up". So pick up a copy now, you'll be glad you did.
