Dance or Die is re-animated Disco with a voracious appetite like a flesh eating corpse for a groove. 20 MP3 Songs ELECTRONIC: Funk, WORLD: World Traditions Details: Dance to the sounds of Neo-Disco. DVICE's experimentally driven alternative dance music puts heavy emphasis on the "mental" aspects of music production and world domination. Key use of complex beats and counter patterns with excessive bass and inhuman drumlines, conspire to administer 100 fat burning, metabolism increasing, sweat generating grooves to your freak of nature side through your ear canals. Dance or Die's! 120 plus beat per minute dance anthems are the second installment from DVICE's 200 plus song library "Gentrification of 'your' Neighborhood", bridges the gap of conformity with today's popular cookie cutter sound like the last act contemporary music with mind bending climaxes that make and brake acceptable rules. Superfreaks unite, enter a new reality as personal as your own limitless imagination, transgressions or personal escapism. Rated "E" for Every1 these sounds are considered highly suitable for world consumption by all ages, (including babies and the senior set) races and persuasions to hear, see and feel.
