Details: solopiano.nl Joffry Arthur is born and raised in Amsterdam. Allready at the age of six he became interested in playing the piano. He took serious lessons from the age of 9 till 18. After that he played many styles of music in different settings. In the year 2005 he decided to rent a piano and record his first solo piano album at home and in a small church in Amsterdam. He had 6 month time to write the compositions for the CD. About the CD: Joffry Arthur: "Childhood". Ambient piano is the name he has given to his music. His style of ambient piano is not only easy listening but makes you at ease: accessible, dreamy piano music. Music for daydreams, for relaxing, for lounging. His ambient style conjures up pictures in the listeners mind, like a film rolling by. The music is all about atmosphere, of listening to beautiful music on a warm summer evening while watching the sun go down. The peaceful, comforting sounds of a real acoustic piano or grand piano, played with sensitivity, is the perfect accompaniment to a perfect summer night. Ambient piano is the music for any romantic setting, inside or out, during the day or at night.
