

Mp3 Kyle Woodring - A Child's Gift

[DOWNLOAD HERE](#)

Instrumental ambient music. Though written by a rock drummer (for Dennis Deyoung) it is a heartfelt, moody, colorful collection of songs. 13 MP3 Songs NEW AGE: Ambient, EASY LISTENING: Mood Music
Details: Kyle Woodring is the current drummer for country music star Deana Carter and rock legend Dennis Deyoung. Kyle has been a first call drummer in Chicago, Nashville and LA for fifteen years. He has played or recorded with artists such as John Mellencamp, Survivor, Robbie Fulks, Blue County, Julie Roberts, George Michael and many others. This compilation of music, however, reflects an artist deeper than that of a bashing drummer. Quite ironically, this album of music has little to do with drumming and more to do with the struggle between light and dark in the heart of an artist and father.
