Frigid. Arctic soul frozen cold, never let go your winters hold. Frigid. So aloof and forbidding, and I am so willing, so willing. But your frigid...So austere so formal and so much fear, as fear does my unaproachable you, so aloof and unfeeling, so unreasponsive so in control, I say if you say so. Frigid. Heartbroken Oh so cruel, I hope you feel good about yourself now that your my god, you broke my heart, congratulations and Dying of a broken heart. It happens everday, a woman lying in her grave, a man standing tall, with no care atall.Dying of broken heart, you broke my heart. Never did I see, I underestimated you, now that I

can see, Coldblooded killer, Coldblooded killer, coldblooded killer... Shelter Me Surrender to me. I'll give you everything, I will shelter you the way you shelter me, I will find you in the depths of hell, shelter me from the storm, never leave me alone. You terrify my soul and the fear of leaving me alone, never fear the fall to the underworld, I know the sea like the back of my hand, lover. Shelter me from the storm, never leave me alone, Never fear the unknown, I will always find your soul. I have been looking for you for so long... Oh seems a lifetime ago, and our eyes they know. Take my hand, take my life, take my blood, take it all, take my soul, take my body and grow old and Shelter me from the storm, Never leave me alone, Never fear the unknown, I will always find your soul. Forbidding Your so forbidding, you say that I can't touch you, you say that I can't kiss you, Your so daunting. Oh, forbidding love. You threaten my peace of mind, inside you torment and your hostile to me, so sinister. Oh, forbidding love. Have you ever seen, a man so frightening! Oh forbidding love. Spiritbride oh your religious dogma, keeps you from it. You'd think I was a saint just to get you to admit it, but I would rather be blue for the rest of my life. Than to try to prove to you that I'm your spiritbride. You make me your Spiritbride. Waiting for you, to love me too. I put all my cards on the table you say oh your such a fool! The game is hard and I'm tired of loosing, I'm going to make my own rules. Cuz I would rather be blue for the rest of my life, than to try to prove to you that I am your spiritbride. Humiliated by love Your holding back, but you contain me, you put your hand across my mouth, in front of everybody. I am humiliated by love, I am humbled. You enclose around me, and incorporate your memory, comprehending everything, you leave me naked. I am humiliated by love, I am humbled, I am grateful for your company, baby. Naked in your embrace, involved and restrained, bound in every way to succumb to your play, you control me. I am humiliated by love, I am humbled, I am grateful for you company, baby. Mother of God You abandoned me. You told me I was safe. Now I am caught in your embrace, oh snatched like a child in the night, nightrape! All your promises were empty, but for you it was so easy, But I am the mother of god and I have the gift of gold and silver, you leave me but you said it's not over yet, cuz you know that I am the mother of god, I am the mother of god, I am the mother of god. Joyless Boy You are the joyless boy, you make it rain all day, am I replaced by substitute, My Joyless boy, my joyless boy. I was the sunny girl until you came my way, oh joyless boy. you are frozen, you are frigid, you are so unfeeling, you are so unaproachable, your mine, I want to see you cry, for all the tears you had me cry, the joyless boy, your my joyless boy, your my joyless boy...
