Gustavo Arima, the drummer brings to Mayaztek groovy and funky beats that make you move your feet. Kevon AKA PJ, brings his jazzy style trumpet tunes that are soothing to your ears. Andre, is really fun to see playing on stage with his hot trombone and unique style, making you groove from the inside out while also at the same time using his spacey keyboard sound effects, which brings the music to a whole another level. will hypnotize you with his native american flute, adding a distinct sound to the songs. Not only does James play flute on stage, but also accompanies with light percussion and jembe giving the band a tribal feel. Luis (Louie) Gonzales, jamming on the congas adds that latin style feel that makes the music hotter than ever. Jesse, the bassist holds down the rhythm and adds his style of playing to complement Mayaztek's sound. Yancey, holds down the sax and adds to the horn section, to give Mayaztek a well rounded sound on all levels to bring it full circle. Our goal is simple... to inspire people, make them dance, and spread love and peace to every one who listens. A whole unique experience and great vibes is what you'll get with Mayazte
