Orchestral and modern-folk music for Our Lady of Medjugorje, the Queen of Peace. Including full orchestra, world instruments, and modern-folk style praise and worship. 12 MP3 Songs CLASSICAL: Orchestral, FOLK: Modern Folk Details: Mary, the Mother of God, has been appearing in a small village in Bosnia Herzegovina since 1981. Having introduced herself as "The Queen of Peace", she has nurtured there exactly that, a profound peace. This peace has touched the hearts of literally millions of pilgrims, who have traveled to this remote village in great need, and have left forever changed. Among the amazing conversions, healed marriages, physical healings, opened hearts, etc, I, myself, have been deeply touched by this "metanoia" peace. This album, "Clothed with the Sun," is the direct fruit of my Medjugorje experience. Each piece has been touched by God as He, always through Our Lady, has inspired me, and guided me through the compositional and recording process. What has burned in my heart is now laid bare in music. What better way to express the inexpressible. - Michael Baru People who are interested in should consider this download.
