[DOWNLOAD HERE](#)

Jazzy, acoustic pop songs with introspective lyrics. Produced by Clay Cook. Also available for download soon at the major download services. See the list on the left side of this page under LINKS. 7 MP3 Songs

POP: Folky Pop, POP: California Pop Details: The son of an Atlanta jazz musician, Nicholas Alan played in a few bands throughout his youth and grew up listening to a wide variety of pop, jazz and rock. Hes a native of Hollywood, FL and was raised in Marietta, GA. In the summer of 2004, Nicholas set out to make his debut CD A World Like Ours with members of his fathers band sitting in on the sessions. Released in May of 2005, the album is a blend of jazz and pop with unique arrangements. Nicholas signed with independent label SideBMusic in September 2006. Since then, tracks from A World Like Ours have received airplay on over 22 US radio stations and 30 webcasts and podcasts. His 7-track E.P. Busker was produced by Clay Cook and was released by SideBMusic in September 2007. Nicholas is 26 years old and currently resides in Los Angeles.
