An all-instrumental progressive-techno/metal soundscape, combining traditional modern progressive rock with occasionally odd-time electric house beats, and mind-altering solo performances 10 MP3 Songs ELECTRONIC: Experimental, METAL: Progressive Metal Details: Both bandmates make their homes in quiet, rural parts of Connecticut. Dave is a computer animator specializing in Flash-animated series for the Internet, and Randel is a computer consultant and recording studio manager. Both have wives, kids, and dogs. The listener might be surprised that the noises they make together can be so frenetic while their lives are so ordinary, but certainly no more so than the Parallax members themselves, if you asked them.
