A Smooth, Melodic West Coast meets/Midwest Style. 19 MP3 Songs HIP-HOP/RAP: Rap, URBAN/R&B: R&B Rap mix Details: Quantum-Bom's Unscannable debut L.P. delivers a Smooth, Melodic West Coast meets /Midwest Style. Original production from Quantum-Bom, Sean Montana, YUYO MC and TL. Catchy hooks and the transition from Singing to Flowin on each track. This record definitely has music to ride to, tracks to dance, comic mischief, R&B Reggaeton, and some dirty south influence hence the name of the title "UNSCANNABLE". The Album focuses on Quantum-Bom's perspective on the dilemmas of overcoming family and relationship issues, legal problems and the death of his cousin Eugene Gallegos who was gunned down by police. Quantum-Bom is probably the first Chicano/Latino Rapper who doesn't sound like one or trying to be someone else. Quantum-Bom has found that key to unlock that closed door for Latin Hip/Hop that was suppressed for so long. Not worrying about what the critics said and taking the risk. Getting knowledge from other Latin Artist who went through their struggles to get their music career started. Like Mellow Man Ace, Cypress Hill, Frost, Funk Doobiest, just to name a few. Quantum-Bom, No one took me serious at first, no one wanted to take a chance with my music. DJs wouldn't even spin my stuff. All this without even hearing my music at all(Quantum-Bom interview for Latinos Unido CD/DVD). Quantum-Bom started QTM music mid 2006 and is working closely with SGR Records USA on future projects. QTM Music is also in meetings with a HUGE distribution company who shall remain nameless for now. Quantum-Bom has featured on MEGATON 2006 VOL.1, DZ - Past Present, TL-Tittz, and few more. Provided Theme song for RAGE the Pro Wrestler. The QB usually will feature on hooks with his R&B skills and then go ape shit on 16s for nice price. Even though this is his debut album. Quantum-Bom comes from a long line of musicians. So this is not no over night success. He turned professional in 1994 when he was added to the roster of the Organized Crime Klick a local Sacramento Group. From there on

he had written and recorded over the years putting out music for his peeps but never focused on a complete record because of Personal, Legal and Criminally REAL issues. The Unscannable L.P. is about 2 years in the making. It had a more harder street approach before. Then due to conversations with potential radio stations, clubs for shows some of those tracks were pulled for more spins! This L.P. has features likes of Mac AK, Trucho G, YUYO MC, TL and Special appearance by Mellow Man Ace. Be on the look out! COMING in FALL of 2007 the "PUGILIST" E.P.
