

## Mp3 Rocwell Feat. Silk - Chop Shop

[DOWNLOAD HERE](#)

Chop Shop- is a universal slang term for cutting up (sex) or wildin' out with whoever you with at that time. We setting up shop across the globe and what YOU do in the CHOP SHOP is your business. 6 MP3 Songs HIP HOP/RAP: Rap, HIP HOP/RAP: Southern Style Details: Welcome to the CHOP SHOP- "known as the F#&K SHOP, it could be anywhere you love to bust out/ do it in the back seat, bedroom or what not"- are some lyrics from this NEW smash hit brought to you by Rocwell and Silk from the (City Boys). This NEW single is truly one of its kind, bridging a unique crossover of rap styles and a commercial/club banging experience. Giving you more for your \$money\$- this MAXI single is packed with excitement on all 6 tracks which includes a radio(edited)version, street(unedited)version,XXX Screwed Up(remix) and the highly anticipated Techno Dance(remix)- along with Acappella and Instrumental. Rocwell is one of the hottest new dirty south artist rising from the bottom and this time he brings a new label mate, Silk whom a few years ago was part of the successful group the City Boys. Rocwell and Silk takes Us through the some fantasies and real life experiences as We can only image and replay what We all maybe at once experienced a time or two while Chopping up something lovely in what we didn't know to be the CHOP SHOP at the time. The CHOP SHOP is a virtual place or physical place where you and your partner enjoy each others company, presence and physical activities. From sex to foreplay, teasing to satisfying, We all enjoy it in the CHOP SHOP. This single has circulated through many markets and is sure to be a classic hit in the near future to come. You heard it here first and be the first on your block to blast this hit single and open memories that were once reality while in the CHOP SHOP. Check out Rocwell's "Anger Management" coming 2006 also: [myspace.com/rocwell](http://myspace.com/rocwell) [rocwellmusic](http://rocwellmusic.com)(COMING SOON)
