Inspirational male folk 13 MP3 Songs FOLK: Modern Folk, WORLD: World Traditions Details: Mirror Of The Universe Roddy McKay Over the years that I have practiced Nichiren Buddhism as a member of the SGI-USA, I have been inspired and encouraged by the many positive experiences related by my fellow members. Being a songwriter, musician and producer, I decided to try to express the effect of practicing Nichiren Buddhism on my life in a series of songs. Mirror Of The Universe is the end result and my sincere hope is that it will encourage others to find value and happiness in their lives and perhaps be entertained in the process. My dream and mission is to make a contribution to world peace and to help others to achieve happiness.
