

Mp3 Soulscream - Prototype @Ipha1 2001 Neophunk

[DOWNLOAD HERE](#)

Metaphysical Funk back to the future. A hybrid mixture of Hip-hop Beats, R&B Soul with a Rock and Roll Attitude and anything else we damn well please to infuse into our style.....Thankyou... 12 MP3 Songs URBAN/R&B: R&B Pop Crossover, HIP HOP/RAP: Alternative Hip Hop Details: Soulscream, comprised of the musical mastermind creations of Jewel Devereaux and Majestic WildStar have renounced the "cookie-cutter" music of today and set the tone for the music of tomorrow. The duo has produced their first full featured master album the "Prototype @Ipha1" to bring the fast-food style of music of this millennium to a halt and pronounce the reinvention of great musical taste their own. Soulscream's theory and style of musical productions is simple. Versatility and imagination in music need not be premeditated or marketed but an idea in motion. The production of their music is preceded by deep feeling. The results: Prototype their first musical collaboration which sets the mood of their dynamic plunge into the future of full flavored sound. From the streets to the corporate music lovers, their aggressive musical style is defined and felt through their conveyance of musical knowledge and theory. This is Soulscream!
