CGF lays down mad funky instrumentals--high energy, up-beat, soulful, acid jazzanova with a sprinkling of 70's nostalgia. Foot tapping goodness that'll give your smile muscles a workout. 12 MP3 Songs JAZZ: Acid Jazz, ROCK: Jam-band Details: The Catfish Groove Farm formed in the spring of 2004 in Tempe, Arizona out of a yearning to create an honest, unapologetic sound. The band comes together from diverse backgrounds bringing with them a multiplicity of musical influences. Hailing from Chile, the moon and beyond, each member brings a unique expressive perspective to the band's compositions. The result of this collaboration is their debut CD "Here Comes Trouble," a tasty collection of mouth-watering grooves that will fill you up with good stuff. Yummy!!
