Review Service Script

[DOWNLOAD HERE](#)

The review site is an appealing database driven resource for people to view and rate reviews. This site features a powerful PHP/MySQL programmed backend to deliver 50,000 records. This site is a great, easy revenue and viral traffic generator that almost runs itself. How it works With the review website you offer a reviews for your visitor's. You can choose for the admin to only post reviews or allow registered members to post. Also featured in this website is a comments system for visitors to post their comments on a review that the admin must approve. With a built in newsletter and banner system this site is perfect to generate not only traffic but advertising revenue as well.
