The Power of Return provides a blueprint for the church to return to God. Twelve great biblical awakenings present a model that helps us understand what God expects us to do to prepare for His powerful touch on church and society. A fascinating concept the revival protocol is revealed and sets the stage for us to find our way back to God. This pattern and the wonderful results that follow its application are clearly seen. Riveting accounts of glory clouds and heavenly fire, idols torn from their pedestals and people swept together in powerful times of repentance and worship fill these pages. Author: Goyette, John
