1. Isotopes in Water- W. George Darling, Adrian H. Bath, John J. Gibson, Kazimierz Rozanski- Introduction- Oxygen and hydrogen stable isotopes in precipitation- From precipitation to terrestrial water- Lake waters and mass balance modelling- Dissolved carbon- From proxy to climate constraints on interpretation- Summary- References- 2. Isotopes in tree rings- Danny McCarroll, Neil J. Loader - Introduction- Tree ring archives- Isotope fractionation in trees- Sample selection and preparation- Mass spectrometry- Data analysis- Environmental signals- Multi-proxy dendroclimatology- Summary- References- 3. Isotopes in bones and teeth- Robert E.M. Hedges, Rhiannon E. Stevens, Paul L. Koch- Introduction- Isotope incorporation into bone- Relationship of bone isotope composition to an animal's diet- Preservation of the isotope signal in bone and tooth- Environmental influences on isotope transport through food chains- Application of isotope techniques to bone and teeth- Summary- References- 4. Isotopes in lake sediments- Melanie J. Leng, Angela L. Lamb, Timothy H.E. Heaton, James D. Marshall, Brent B. Wolfe, Matthew D. Jones, Jonathan A. Holmes, Carol Arrowsmith- Introduction- Oxygen isotope systematics in inorganic materials- Carbon, nitrogen and oxygen in bulk organic sediments and compound specific carbon- Nitrogen isotopes in lacustrine organic matter- Oxygen and hydrogen isotopes in lacustrine organic matter- Summary- References- 5. Isotopes in speleothems- Frank McDermott, Henry Schwarcz, Peter J. Rowe- Introduction- Oxygen isotopes in speleothems- Carbon isotopes in speleothems- Fluid inclusions in speleothems: methodologies and some recent results- Summary- References- 6. Isotopes in marine sediments- Mark A. Maslin, George E. A. Swann- Introduction- Oxygen isotopes in marine sediments- Carbon isotopes in marine sediments- Nitrogen isotopes in marine sediments- Silicon isotopes in marine sediments- Boron isotopes in marine sediments- Summary- References - Glossary, acronyms, abbreviations- Index EAN/ISBN : 9781402025044 Publisher(s): Springer Netherlands Discussed keywords: Palogeographie Format: ePub/PDF Author(s): Leng, Melanie J.
