My name is Adam Aejae Jackson, I'm a native of Detroit, Michigan, now residing in Los Angeles, California. I've been singing since the early age of three. My gift of song began with Sunday morning singing in the church choir, and endless free encore performances for anyone who came to the Jackson household. These performances included my sister and sometimes the dogs. Yes we had it going on! All for free!!! (Thanks mom and dad!). Through hard work and dedication to the arts, I have been blessed to share and nurture my gifts with several gifted artists to name a few: Toni Braxton, Vesta Williams, Charo, Stevie Wonder, Linda Hopkins, Juan Gabriel, Melissa Manchester, Kenny Babyface Edmunds, Marilyn McCoo, Billy Davis, Jr. Carole Bayer Sager, David Foster, The Bus Boys... This debut Jazz CD 'I'm Glad There Is You' is a very romantic heartfelt journey of classics that will lead into falling in love or just rekindling an old flame. The musicians on this project are so amazing. Each player brought magic into the studio each day. Wait until you hear the special gifts of these talented artists! On Keyboards, Mr. Tony Campodonico, Bass, Mr. Hussain Jiffry, Drums, Mr. Sinclair Lott, Sax Flute, Mr. Rick Rossi, Violin, Mr. Mark Cargil and Guitar, Mr. Tony Drake.
