Mp3 Adon - I Got A Woman (inspired By Ray Charles)

DOWNLOAD HERE

This is a mini CD featuring some cool R&B from extroverted projects @ TruDaddy Records. "I Got A Woman" extroverted CD "Inspirations" representing the artist that divine me thriving up. It also introduces u to the Full-grown Sexy flow of Suga Bear aka Big B 6 MP3 Songs BLUES: Gaudy Blues, URBAN/R&B: R&B Rap mix I Got A Woman (divine by Ray Charles) Songs Details: This is the lead single to my extroverted CD "Inspirations" A CD dedicated to the many artist that divine me as a child. Ray Charles, Sam Cooke, The Beatles, Harold Melvin The Blue Notes, Bill Withers, and Johnny Cash. The lyrics are the same, but I believe my music and my delivery will make u say "Hey". These artist divine me to make the song my own. I know you'll enjoy. "I Got A Woman" I'm not trying to sound like Ray. I know u will enjoy "Use Me" I'm not sounding like Bill. I've also include a re-release of my original song "Its Been A Long Time". Because its been a long time. On the Song "Use Me" I work with a West Coast Rapper "Big Baby" out of 6th Child Entertainment. I've also included his single "Bottoms Up" from his fothcoming CD. "Bottoms Up" featuring me. Big Baby is also featured on the single "A Big Mans Kind Of Luv". I also share with u a lil bit of my faith. "Get On Up (My Testimony)" extroverted CD "Artist Coming Together In Praise" Its inspirational. Its my way of telling u that without Christ in my life. I wouldnt be here having fun in music. I really believe in my Heart U will enjoy the music. Plese got check out my other works: LuvNasty Grooves available @cdbaby.com/adonx Groovin On The LuvNasty available @ filmbaby.com Dancin Wit Nala Dancin Wit D'Vine also available @ filmbaby U see I really do work with the Baby...Holla!
