

## Mp3 Andrew Morse - Nightbook

[DOWNLOAD HERE](#)

Homesick unpretentious acoustical pop featuring dozen original tunes by the New York singer/songwriter. 12 MP3 Songs Shake Americana, Shake Acoustic Nightbook Songs Details: ANDREW MORSE grew up listening to the sounds of Bob Dylan, the Billowing Stones, and various blues artists. He played in his first band, the Little Devils, at age seven. Since then, he has played rock roll, country and folk music in places ranging from Zurich, Switzerland to Huntsville, Alabama. In 1983, he formed the band Nice Boys From New York, which included the late Howie Wyeth on piano, to record two independent albums and tour Europe. In early 1998, he released his first solo album, "Nightbook," a collection of dozen original songs played acousticalally.
