

Mp3 Angle - Not Quite 90 In The Head

[DOWNLOAD HERE](#)

Drawing from West, East and South, this album is proper smack-dab in the center with storytelling and beats at its finest... 17 MP3 Songs HIP HOP/RAP: Mutually exclusive Hip Hop, HIP HOP/RAP: Hip Hop Not Quite 90 In The Head Songs Details: "Not quite 90..." is the debut solo cd from iowa native Angle An in-depth introduction to an obviously original talent, not to observe a constantly unnoted region, with solid roots set in the golden era of hip-hop. A well done resurrection of knowledgeable story rhymes and concepts over traditional sample based soundscapes from some of the midwest's most unknown talents in production. A polished delivery with clever word play make this a colorful journey through the winding dusty back roads of iowa's fields to a fertile oasis of rhymes and drums. Angle is totally friggin awesome!!!
