18 Fun and Character Building Songs for children Preschool through 5th Grade 18 MP3 Songs

KIDS/FAMILY: General Children's Music, SPOKEN WORD: With Music Details: Becky Muncy is an elementary music teacher, grades 1-5, in Bedford, IN. She has created 18 fun, character-building songs to use in her classroom to reinforce good character skills. The songs are short and catchy, and help children remember the meaning of each skill, such as "problem solving" or "cooperation. Her school corporation is involved in a program called CLASS (Connected Learning Assures Successful Students). Part of the CLASS curriculum is to help create a better atmosphere in all classrooms and teach children to be respectful and use skills that will help them all through their lives. Here is what others are saying about "Blueprints for Life" "Becky Muncy has created songs to help children, parents and teachers understand and use the LIFESKILLS in the CLASS program. If we learn how to be responsible, caring and to use the other character skills in Becky's songs, our world will be a better place. I am thankful that Becky is sharing her gift of music. May we all be better people because of her efforts." Barbara Pedersen C.L.A.S.S. President "CPR for our cultural values" Matt Wilder Producer "Anyone who wants to embed the lifeskills into a thematic method of instruction should consider using the lifeskill songs developed by Becky Muncy. She is fantastically creative and has made the integration of the lifeskills a part of her curriculum as a music teacher." Michael Terry Principal, Dollens Elementary Oolitic, IN "This CD is a compilation of ideas and songs that will help students and staff strive to stay on course in our journey." Richard Bohling Principal, Lincoln Elementary Bedford, IN
