Mp3 Bherman - Two Boys

DOWNLOAD HERE

Eclectic and personal pop/rock indie alternative with a strong foothold in rythms, world sounds or electronic indie music, it kicks and takes names later. 11 MP3 Songs POP: Pop/Rock, ROCK: Adult Alternative Pop/Rock Show all album songs: Two Boys Songs Details: "Since 1999, BHERMAN, singer songwriter, purveyor of soundscrapes and of mixed Brit/Belgian extraction, has released five cd's so far (with Two Boys the most recent one) and played several concerts in Belgium and abroad (Holland, France, Germany and Canada). He is well known for his ecclectic and silky approach in molding stark, original songs with an edge, while still keeping a strong foothold in rythms, worldish sounds and alternative and/or electronic indie music. Bherman kicks ass and takes names later and thou still loving the acoustic solo thang, he performs mainly with his band and manages always to sound both fresh and coherent" TWO BOYS, 11 tracks, nr.5 and the latest, is a downright little jewel, difficult to format or pigeonhole, and loving to explore uncharted musical territory. Influences are many and varied, ranging from jazz to (prog) rock, from British folk to French sixties pop and from laptop generated electronica to funk, tango, salsa and anything that fits in between. so.... that's a lot.
